As a result of an administrative investigation, the Istrian Communist Party District Committees have begun to reduce the number of their subsidiary Popular Committees and have reintroduced the word "commune" to designate the new political units emerging from the reform. As an example, at Pazin, the number of Popular Committees will be reduced from twenty to the following seven: Pazin, Cerovica, Lupogliano (sic), Zminj Pican, Boljun and one other which is unspecified.
